

## **INTERNATIONAL BACCALAUREATE PROGRAMME TIMELINE OF EVENTS AND INTERNAL ASSESSMENT SUBMISSION DATES**

The following due dates are meant to “spread” the workload of the IB programme over a reasonable amount of time and allow students to plan ahead and prioritize so as to meet those deadlines. Internal Assessments are specific assignments that each IB class requires that are eventually graded by the teacher and submitted to the IB organization. Due to new teacher assignments this list will be updated as dates become available.
